Principal's Corner

Greetings,

A special thanks to all the parents who were able to make it for parent-teacher conferences. Your interest and support of your child's education will inspire them to do great things with their future. The next dates set for conferences are the evening of January 23rd and the day of January 24th. These are great dates to mark on your calendar.

Our next Site Council meeting is set for November 7th at 3:30. We hope to have a great turnout of parents and community members. One item up for review and discussion is the school calendar for next year. Those present can provide feedback that will be sent to the district office for their review and the creation of the final draft. Hope to see you here!

Despite some strong winds and our fair share of wet weather, the fall has taken its sweet time passing through. The extended fall has been welcomed by most, allowing ample time to prepare for winter. This weekend Daylight Savings Time ends, so don't forget to set your clocks back an hour and enjoy an extra hour of sleep.

Our school was fortunate in the hiring of Rachel Allmendinger as a wonderful additional to our staff. Rachel will have many duties, but most of her responsibility will be providing interventions for students while progress monitoring their achievements. You can meet Rachel at our next Site Council meeting on November 7th, or stop by the school and welcome her to Voznesenka.

Currently, we have students involved in both wrestling and hockey. Our only varsity wrestler this season is Gavril Kalugin. The first tournament was in Homer this year, which Gavril attended, leaving with 3 wins and 0 losses. This past weekend Gavril had 4 wins and 2 losses while wrestling in Seward. We again have several students who will be skating with the Homer High hockey team. Their first game will be in Kenai this coming weekend. We anticipate another season of exciting games. Our athletes appreciate the support of their fans. When you have the chance, show them your support by watching them compete.

Sincerely,

Mike Wojciak
