Principal's Corner

Greetings,

Our first quarter ended with our last Saturday School. I know it is always a relief to have those days behind us. With the end of first quarter our first round of parent/teacher conferences is close at hand. All parents should have received a schedule for their children. ***On Thursday, October 29th there will be evening conferences and on Friday, October 30th they will take place during the school day, which is a day off for students.*** All conferences will happen in the main building. Your presence is greatly appreciated, hope to see you here.

Our football and cross country seasons have both come to a close. The effort put forth by those involved to make these programs successful is greatly appreciated. The accomplishments of our athletes are recognized on many different levels with one sport being an individual sport and the other being a team sport. Cross country runners measure success by beating their best time, by their place when crossing the finish line, or by beating another runner who beat them in a previous run. Football players also have many individual accomplishments and contributions they make to the team. When these contributions stand out they are given special recognition. Players can be recognized as either 1st Team All-Conference, 2nd Team All-Conference, or Honorable Mention. The accomplishments of the following individuals were recognized by four of the football coaches in the Greatland Conference: Kalinik Reutov- Defensive Back = 2nd Team All-Conference, Michael Kusnetsov- Inside Linebacker = Honorable Mention, Nikit Anufriev- Quarterback = Honorable Mention. Congratulations to these athletes!

It will not come for some time in the future, but our ***next Site Council meeting has been set for December 2nd at 3:30.*** It's great to have as many people attend as possible, providing more opportunities to share what is taking place at school. This is also a great time to ask any questions you may have. Please take a moment to mark this on your calendar and save the date.

High school wrestling has begun and the first matches of the year took place in Homer over the weekend. The Voznesenka Cougars were victorious in 13 of their 23 matches. As always, support of our athletes is enjoyed and appreciated. You have two more opportunities that take place right here in Homer. On December 1st the Voznesenka Cougars will have a dual with Homer and on December 11th and 12th the Conference Tournament will also be taking place in Homer this year. You won't want to miss all the excitement!

Daylight Savings Time ends on Sunday, November 1st so don't forget to set your clocks back one hour. This is also a great time to change the batteries in your fire and Co2 detectors. I wish you all an enjoyable fall and look forward to seeing you at the upcoming wrestling meets and parent/teacher conferences.

Appreciate your time,
Mike

Title One Applications

Stapled to Cougar Comments you'll find the Title One application. Please take a moment to fill it out. Title One provides a variety of services throughout the district. At Voz we do not have a hot lunch program. However, we have two teachers paid by Title One/Migrant funds—Kathy Serge-Hoeschen and Justin Zank. If your child qualifies for the Migrant program they automatically qualify for Title One. Or, if your child receives food stamps, they automatically qualify for Title One funding. If your whole family did not go fishing, fill -out the appli-

cation. Migrant status is student based, not family based. If your family qualifies for food stamps, write in all students attending school in the district, along with the food stamp case number. Filled-out applications can be brought to the school or sent directly to the district. Rachel Allmendinger is our new Migrant Recruiter. She will be recruiting Migrant students by contacting parents in the next few months .
