

Kenai Peninsula Borough School District

District Goal: (What district goal does your site goal support?) 2.0 Organizational Excellence			
Current Reality: (Include your starting data or baseline information here.) Currently, three areas of our SET score for PBIS fall short of an implementation average of 90%.			
SMART Goal: During the 2015-16 school year all areas of the SET will reach an average implementation of 90% or higher.			
Action steps should be listed in this column. Include: professional development, ongoing communication with stakeholders, progress monitoring, and mid-year adjustments.	Who is responsible for leading or coordinating this action step?	Timeline or deadline	What will be the evidence the action step occurred, the data indicating progress, or the indicator of success?
Develop a bathroom and classroom matrix to be used when implementing these new areas.	PBIS Team	Prior to the start of the first student day for the 2015-16 school year.	A developed matrix for the bathroom and classroom
Create lesson plans to teach students behavior expectations.	PBIS Team	Prior to the start of the first student day for the 2015-16 school year.	Developed lesson plans
Investigate ways to utilize classroom behavior data and make data-based decisions at PBIS meetings	PBIS Team	Prior to the end of the 2015-16 school year	Changes in consequences for specific behaviors and more consistency in the equity of consequences given as recorded in Power School
Input all discipline data into Power School to track	Teachers	This will happen throughout the year	All discipline data will be entered into Power School
Create re-teaching strategies to use after breaks and for students who are new to our school.	PBIS Team	Before the end of the first quarter	Training videos created or an alternative re-teaching tool created.
