

Greetings,

Welcome to the home of Voznesenka School. We are nestled near the head of Kachemak Bay, which is about 24 miles northeast of Homer, Alaska. Our student and community population are all of the Old Believer culture. We are a Pre-K through 12th grade school with a non-traditional facility. Our small main building houses our elementary students with three surrounding portables set up as secondary classrooms. Over the last several years we have maintained a total school population of around 115 students. We have excellent technology resources, opening many distance learning opportunities for our upper classmen. Some of the elective classes offered on site are construction, consumer science, yearbook/photography, and art. Combining teammates with two nearby village schools, also of the Old Believer culture, we additionally offer the co-curricular activities of cross country, football, Battle of the Books, soccer, and wrestling. As a PBIS school we follow the "Cougar Code", encouraging a school-wide culture of support and belonging. Thanks for visiting this site.

Vision Statement:

Voznesenka School prepares students for the future by providing a diverse array of learning opportunities.

Mission Statement:

Students are guided and supported in a safe, respectful, and responsible environment to prepare them for a dynamic world through engagement in a variety of classes, athletics, and cultural experiences.
